

Perth Road United Church

You will be happy and pleasantly surprised to meet us. We are a fun loving, warm, welcoming little church with a big heart nestled in a small rural village/cottage area, making a big difference in our community and the world. We hope to welcome and walk with a half-time minister. Our new leader will help our congregation grow through inspirational worship and socially relevant sermons, pastoral care, and community outreach. We're looking for someone who is warm, welcoming, empathetic, has a sense of humour and the ability to relate to all ages and the community at large. We are hoping to attract some new young families to our little church. We are a 30 minute drive from Kingston – a city which offers numerous amenities. For general information about our church, please visit our website at PRUC.ca or contact the chair of the search committee at karen.bach@utoronto.ca.

Applications will be received until December 31, 2018, or until the position is filled.

Applications should be forwarded to David Timpson at dtimpson@united-church.ca
